

Birmingham City Council - Sport Capital Development

October 2024

Refurbishment Projects

- Birmingham City Council's commitment to upgrade the sporting infrastructure in the city demonstrated through current projects:
 - ▶ Tennis Court Refurbishments
 - Basketball Court Refurbishments
 - ► Football Foundation Playzone developments
- Over £2.7m of investment into local communities through capital grants, leveraged through collaborative partnerships

Tennis

- ▶ 8 sites refurbished, funded by LTA grant of £310K
- ▶ Site selection determined through LTA court assessments and findings from the Playing Pitch Strategy (2017) and community consultation
- Assessments involved court surface quality including grip, presence of moss, loose gravel, line marking quality, evenness, evidence of inappropriate use (ASB, littering) and lighting and accessibility assessments
- ► Grant conditions include implementation of a financially sustainable delivery model with sites ranging from 100% free access to a mixed model of pay & play and a minimum % of free access . ▶

Tennis

Refurbished Sites:

- ▶ Bournville Park 3 courts
- Brookvale Park 2 courts
- ► Cannon Hill Park 5 courts
- ► Gilbertstone Recreation Ground 3 courts
 - ▶ Lickey Hills Country Park 4 courts
 - ▶ Pype Hayes 4 courts
 - ► Rookery Park 2 courts
 - Summerfield Park (gates only)
- Ward End (2 courts) to be funded via Shared Prosperity Fund / commencing end of October 2024
- Procure external operator to manage bookings, deliver a community coaching programme, manage memberships, leagues and engagement with local groups and clubs

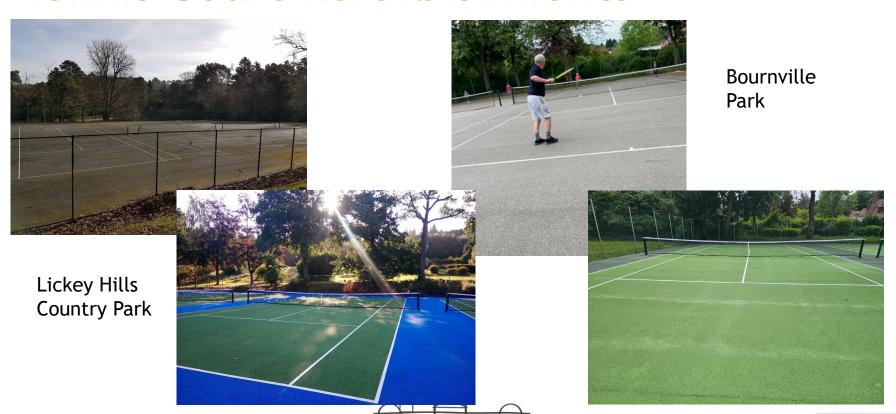

Tennis Court Refurbishments

Basketball 3x3 Legacy Project

- ▶ 17 site court refurbishment programme, legacy of the B2022 Commonwealth Games
- ▶ £650K funding through BCC Community Infrastructure Levy (CIL), Sport England and UK Government Shared Prosperity Fund
- ► Activation programme funded and supported by Basketball England, Sport Birmingham, StreetGames and local clubs, with opportunities to get involved
- ▶ Site selection determined by desktop audit, site visits and court surveys, IMD, crime statistics, consultation, and priority areas for the City Council.

Approach to Activation

Approach

- ✓ Multi stakeholder action to distribute power and resource into place
- ✓ System and place partner collaboration
- ✓ Insight and learning
- ✓ Enhancing community leadership and voice
- ✓ Co-creation
- ✓ Empowering the voluntary sector

Phase 1: Strategic Consortia

Currently 13 system and place partner representatives including Birmingham City Council, TAWS, Street Games, and NGB's; additional 4 in the pipeline

Strategic commitment to:

- Tackle structural inequalities
- Strengthen community and individual capacity
- Integration of sport and physical activity into sectors

Phase 2: Community Networks

- 1. Ambition to create facilitate hyper local community networks surrounding Playzones and other developments
- 2. Refresh insight and intelligence for the locality
- 3. Devise activation plans that responds directly to community need
- 4. Leverage resource by way of capacity, knowledge, expertise and investment into the network

Call to Action

- ✓ System and place partner with a resource offering
- ✓ Community groups with an appetite to contribute to local intelligence and activation of spaces
